SUBJECT: NICARAGUA: UNGA THIRD COMMITTEE COUNTRY SPECIFIC RESOLUTIONS DEMARCHE DELIVERED

REF: STATE 116264

(U) Post delivered the points as instructed per REFTEL. Our Foreign Ministry counterparts told us that Canada had already lobbied them for support on its substantive resolution against Iran, and that Nicaragua may abstain from voting on "no action" motions; however, it is more likely that Nicaragua will vote against U.S. positions.
